

iCandy apple multi-mode system

iCandy offers modern parents a stylish travel solution of the highest quality and excellent design.

The apple is available as a four wheel stroller or a three wheel jogger. For parents wanting the flexibility of both options the jogger wheel can be purchased as an accessory to the stroller. For your newborn, both options have their own unique carrycots and with the addition of an infant carrier car seat (sold separately), the apple becomes a stylish, practical travel solution. For growing families the apple can be upgraded with the addition of the unique 'PIP' converter. This upgrade pack transforms the apple into a tandem travel system - the pear.

- 3 position forward and rearward facing seat unit
 - lightweight chassis
 - all-around suspension
 - swivelling or fixed lockable front wheels
 - quick release large rear wheels with air filled tyres
 - pump and raincover included
 - easy fold chassis – freestanding when folded
 - option to upgrade to the pear
